

Production Release Summary for AFMSS 2

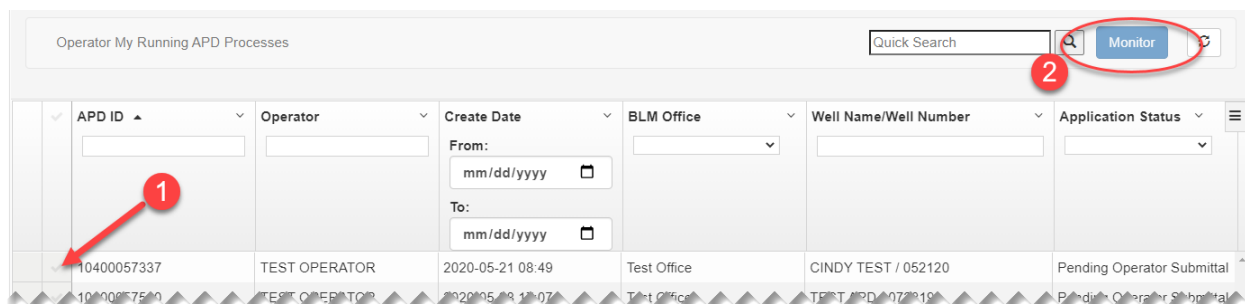

Released June 12, 2020

PROD-2124 (Operator) External users monitor columns for APD and NOS now reflect the same columns as the BLM. The additional columns include the completed by, participant, created date, deadline, and completed date. See below:

Access the monitor by selecting the Operator My Running APD Processes Worklist

Select an APD from the list and click the Monitor button.

At the bottom the screen the additional columns will display for external users.

APDx Worklist		Process Model						
View all process activities in chronological order.
